## OUR BELIEFS

Seventh-day Adventists accept the Bible as the only source of our beliefs. We consider our movement to be the result of the Protestant conviction Sola Scriptura—the Bible as the only standard of faith and practice for Christians.

Currently, Adventists hold **28** fundamental beliefs. To find out more visit our website [www.westcroydonsda.uk](http://www.westcroydonsda.uk). Feel free to contact anyone of the pastoral staff too.

## OUR PURPOSE

Let us be...

BETTER

Bold in our approach

Enthusiastic as we do God's will

Tried in the fire so that he can make us pure gold

Trusted like Abraham and be a friend of God

Energetic, so that we can endure until the end

Ready, for no man knows the hour when the end shall come

There are souls to win and lives to save from this world of sin and an eternal grave, so let us join together in preparing for the road ahead, let us be bound by love and Holy Spirit led. The battle is not over, there's a victory to be won, let God continue in West Croydon what he has begun. Seventh-day Adventist practise holding fundamental beliefs as taught by Holy scriptures. We invite you to our website for more on this.
